Players will train to improve multi-directional speed, injury prevention and aerobic capacity and endurance.

Footwork Training
Players will train with coaches to improve their footwork, movement, balance, stances and more!

Mental Training
Players will meet and cover topics like anxiety, mental toughness, confidence and more!

Fitness Training
Players will train to improve multi-directional speed, injury prevention and aerobic capacity and endurance.

Legacy Training Camp Elite (LTCE)
LTC Elite is designed to help every participant reach their full potential by providing top-tier coaching from Legacy’s senior coaching staff at our state-of-the-art facility while bringing together the most skilled and hard-working players in the area to compete against and support one another. Coaches will stress proper footwork, shot selection, situational point-play, physical, and mental fitness and maximum effort at all times. Players are grouped on court based on their clinic placement and skills as well UTR. LTC Elite Camp will also take place at Jefferson University tennis courts.

Additional Training Included:

Video Based Training
Players will meet to break down professional matches, strategic patterns, and biomechanics.

Legacy Training Camp (LTC)
Players in LTC will prepare to compete in district and sectional-level tournaments. Players will focus on proper technique and footwork in the morning and work on strategy, point-play and shot selection in the afternoon. LTC players will also rotate through classroom sessions in video-based training and mental conditioning.
